**Thank you so much for your Generosity!**

**Liturgical Reflection**

For years, copying other people, I tried to know myself.  
From within, I couldn't decide what to do.  
Unable to see, I heard my name being called.  
Then I walked outside.

The breeze at dawn has secrets to tell you.  
Don't go back to sleep.  
You must ask for what you really want.  
Don't go back to sleep.  
People are going back and forth across the doorsill  
where the two worlds touch.  
The door is round and open.  
Don't go back to sleep.

**A Note From Joseph**

**Dear Parishioners:**

Thank you. After seventeen years without seeing my mother, words cannot adequately express my gratitude for making it possible for me to travel to Liberia at this time to visit her. I will convey to my people the love and kindness you have shown me, and the well wishes you extend to them.

As I look forward to this journey with excitement and some anxiety I find courage in the knowledge that your prayers are with me. I hope to stay for one month. When I return I look forward to sharing with you what it was like to return to the home I left seventeen years ago as a mere eleven year old boy.

Once more thank you and may God reward your kindness.

Yours Sincerely,  
Joseph Tutu  
The Drummer
