Liturgical Reflection: One of the wonderful things about the Catholic Church is that we are part of the Family of God on earth that extends throughout the globe. Each year we are given the opportunity to hear from a missionary about how we can assist in bringing the message of God's love and mercy to that part of our global family that lives in other parts of the world. Thank you father Randy Gonzales for coming to invite us to participate in the work of Missionhurst.

— Fr. Bob Begin
